Strict Prohibition on Bringing or Bursting Crackers in and Around School Premises

Dear Parents,

Namaste!

The safety and well-being of our students and staff remain our foremost priority. In this regard, parents are hereby informed that bringing, possessing or bursting crackers within the school premises or in the vicinity of the school is strictly prohibited.

Parents are requested to exercise utmost vigilance, regularly check their ward's school bag and counsel them about the serious safety risks and disciplinary consequences associated with such activities.

The school maintains a zero-tolerance policy towards any violation of these instructions. Appropriate safety checks, including inspection of school bags, will be conducted in accordance with school procedures.

Any student found in possession of crackers, irrespective of whether they have been used, shall be liable to strict disciplinary action, including:

1.Issuance of a Grey Card.

2.Deduction of 35 points from the Discipline Passbook.

3.Suspension from school for a minimum period of one month, subject to applicable rules and the circumstances of the case.

4.Expulsion from school in exceptionally serious cases, subject to applicable rules and due process.

Parents are expected to treat these instructions with utmost seriousness and ensure strict compliance by their wards. Any violation will be viewed seriously, and appropriate disciplinary action will be initiated without exception.

We seek your full cooperation in maintaining a safe, secure and disciplined school environment.

Regards,

Sunita Rajaura
