ETHOS 2026 – LEGACY MAKERS **Creating the Future Worth Inheriting**

Dear Parents,

We are delighted to share that Vivekanand School is hosting ETHOS 2026, its flagship Inter-School Fest, on **25th & 26th August 2026**.

Built around the inspiring theme “Legacy Makers – Creating the Future Worth Inheriting,” ETHOS 2026 will bring together students from schools across Delhi-NCR for an exciting celebration of creativity, innovation, intellect, technology, culture, performing arts and communication.

With 25 thoughtfully curated competitions across different age categories, ETHOS offers our students an excellent opportunity to represent Vivekanand School, challenge themselves, showcase their abilities and compete alongside talented students from other schools.

Students interested in representing the school in any of the competitions are invited to register for the school-level selection/audition process. The detailed ETHOS 2026 Event Brochure is enclosed with this circular. Students and parents are requested to go through the brochure carefully and identify the competition(s) best suited to the student's interests and strengths.

Event Brochure:

<https://vivekanandschool.in/website/pdf/ETHOS.pdf>

Registration for Auditions/Selections:

Students may register through the Google Form given below:

<https://forms.gle/HdcKD5LfeZbKvbXNA>

Last Date for Registration: **10th August 2026**

Please Note: A student may register and appear for the audition/selection of only one competition. Students are therefore advised to go through the competition details carefully before making their choice.

Auditions/selections will be conducted by the school for the competitions, wherever required. The schedule and other relevant details will be communicated to the registered students subsequently.

We encourage our students to explore the brochure, find the event that speaks to their talent, and step forward to represent their school.

ETHOS is not merely about winning a competition—it is about taking a chance, discovering one's potential and having the courage to put it on a larger stage.

We look forward to seeing our young Legacy Makers rise to the occasion and make Vivekanand School proud.

Warm Regards

Principal(Officiating)
