Discipline Criteria for Eligibility to Super Elite and Elite Sections – Class X (Academic Session 2027–28)

Dear Parents,

Namaskar!

This is in continuation of Circular No. VS/SW/202562/Cir-058 dated 18/07/2026 regarding the Formation of Super Elite and Elite Sections – Class X (Academic Session 2027–28), wherein it was communicated that the selection of students for the Super Elite Section (XH) and the Elite Section (XA) shall be based on their aggregate academic performance throughout Class IX.

Further to the above, the school wishes to inform all parents that academic excellence alone shall not determine eligibility for these prestigious sections. As part of the school's holistic education philosophy, discipline, values, and conduct shall also be considered an essential criterion.

Accordingly, with effect from 24th July 2026, any student of Class IX who is found involved in any disciplinary default or is issued a disciplinary penalty as per the School Discipline Policy shall not be eligible for selection to the Super Elite Section (XH) or the Elite Section (XA) for the Academic Session 2027–28, irrespective of his/her academic performance.

This policy has been introduced to ensure that students selected for these sections are exemplary not only in academics but also in character, discipline, and adherence to school values.

We request all parents to kindly counsel and motivate their ward to maintain the highest standards of discipline, respect, and responsible behaviour throughout the academic session.

Your continued support and cooperation in reinforcing these values will play a vital role in your child's overall growth and success.

Warm Regards

Principal (Officiating)
