EMPATHY IS THE HIGHEST VERSION OF KNOWLEDGE PROJECT SEWA - A MISSION TO SERVE THE COMMUNITY

Dear Parents,

Namaskar!

Hope you are doing well in health and spirits.

SERVICE TO HUMANITY, as embedded in the school's mission and vision, has always been reflected in its philanthropic endeavors to connect the students with society. Roti Bank, Donate a Book, Light up a Life are some of the many humanitarian initiatives taken in this regard, which are aimed to instill the virtues of benevolence and ethics of sharing, amongst students.

Perpetuating its pursuit for serving a charitable cause, the school has come up with a new venture - Project Sewa, - a Community Kitchen to serve meals to the destitute. This holy service will be conducted by the students of every class, once a year, by taking the responsibilities in rotation.

The service will be supervised under the guidance of the Class Teacher of a specific class, who will delegate the duties for SEWA to all the students evenly. The menu of the SEWA will be Poori, Aaloo, Sabzi, and Halwa. Parents are requested to send the ingredients, as assigned to the child, to facilitate the preparation of the langar. Finally, the Prasad, thus prepared from their contribution will be donated by the students themselves, to the disadvantaged sections of society.

The next service of Project SEWA is to be offered by the students of **Class VI** on **4th December, 2026**.

Quality and standards adherence.

We make a living by what we get. We make a life by what we give. Your encouragement and support in this regard is highly solicited.

Please note that participation in this service is entirely voluntary, reflecting the ethos of individual choice and compassionate engagement. There exists no imposition or expectation upon any child to partake in this altruistic pursuit, as we honor the autonomy and personal inclinations of each student.

Best Regards
