Flexible Test Series – Class X (2025-26)

Dear Parents,
Namaskar!

As Class X students enter the final and most crucial phase of preparation for the CBSE Board Examination, the school is pleased to introduce the Flexible Test Series—a thoughtfully structured academic platform designed to provide an extensive final drill, strengthen conceptual understanding, and build examination confidence.

The Flexible Test Series offers students meaningful academic autonomy. Based on their individual needs and level of preparedness, students may appear for the examination of any subject of their choice on any day during the Flexible Test Series cycle. This flexibility enables students to plan their revision strategically, focus on specific subjects, and practise under board-pattern examination conditions.

During the period from **27 January to 10 February 2026**, students are required to appear in a minimum of five examinations, chosen from the five core subjects, at their convenience within the prescribed schedule.
