Fund generation for Bharat Ke Veer

Dear Parent

Namaskar!

They stay awake so we can sleep in peace

They battle the bitter cold to protect our borders

They lay down their lives for our safety

The Central Armed Police Forces are often referred to as the second in line of defence. But their contribution to our lives is second to none. We can't bring the martyred bravehearts back, but we can join hands to ensure the well being of their families.

Honouring the spirit of daredevilry and zeal towards ones job, Vivekanand School salutes the contribution of these valiant 'Bharat ke Veer'. As we commemorate 45 glorious years of Education, the school invites it students as responsible and caring citizens of India to come together to show their support for the noble cause by contributing a nominal amount towards the Bharat ke Veer Fund.

Every class must collect a nominal amount of ₹1250 towards the fund. A receipt for the same will be given to the class teacher on behalf of the class.

Kindly support the school in this initiative to instill the value of respect in our students.

With best wishes

Poonam Sharma

Principal (Officiating)
