ISRO YUVIKA 2026 – Opportunity for Class IX Students

Dear Parents (Class 9),

Namaskar!

We are pleased to inform you that the Indian Space Research Organisation (ISRO) has announced the Young Scientist Programme – YUVIKA 2026. This is a prestigious national-level residential programme aimed at introducing young students of class 9 to space technology, space science, and space applications, and inspiring them to pursue careers in Science, Technology, Engineering, and Mathematics (STEM).

Important Dates:

- Online Registration Begins: 27 February 2026
- Online Registration Closes: 31 March 2026
- First Selection List: 13 April 2026
- Second Confirmation List: 20 April 2026
- Programme Duration: 11 May to 22 May 2026

Programme Highlights:

- The programme will be conducted at ISRO centres across India.
- Selected students will receive hands-on exposure to space science and technology.
- Training, accommodation, and boarding will be provided free of cost by ISRO.
- Travel expenses will be reimbursed as per ISRO norms.

Application Process:

Interested and eligible students must apply online through the official ISRO YUVIKA portal within the specified dates. Parents are advised to visit the official ISRO website for detailed guidelines and application procedures.

The school encourages eligible students to make the most of this valuable opportunity to learn from India's premier space organisation and gain early exposure to scientific research and innovation.

For any assistance or clarification, students may contact the respective Science Teacher.

Warm regards,

Poonam Sharma

Principal(Officiating)
