## **Introduction of Supplementary Mathematics Practice Workbook (Class II)**

**Dear Parent**

*Namaste!*

To further strengthen mathematical concepts and provide regular practice support, the school is introducing a Supplementary Mathematics Practice Workbook for the current academic session.

This additional resource has been thoughtfully selected to reinforce classroom learning, improve concept clarity, and enhance your child's problem-solving skills through consistent practice.

Kindly note that the cost of the notebook, Rs. 250/-, will be added to the Second Quarter Fee. We are confident that this initiative will contribute significantly to your child's academic progress in Mathematics.

For any queries, please feel free to contact the school office.

Warm Regards,

Vivekanand School
