## Introduction of Two Prestigious New Categories in the High Honour Awards

Dear Parent

**Namaste!**

At Vivekanand School, we have always believed that every child's sincere effort, perseverance, consistency, and all-round excellence deserve to be recognised and celebrated in a meaningful manner. Our High Honour Awards Ceremony has, over the years, stood as a proud tradition of applauding students who distinguish themselves in academics, co-curricular pursuits, sports, discipline, leadership, and personal growth.

In our continuous endeavour to further strengthen this culture of motivation and excellence, we are delighted to announce the introduction of two prestigious new award categories in the existing framework of the High Honour Awards, effective from Session 2026–27 onwards.

### 1. Student of the Year Award

This distinguished title shall be conferred upon one outstanding student from each standard who emerges as the most accomplished achiever across all sections.

The award will recognise the student who secures the highest cumulative number of awards under the various categories of the High Honour Awards in that academic session, thereby reflecting not only scholastic merit but also holistic brilliance, consistency, participation, and exemplary performance in multiple domains.

### Tie-Breaking Criterion

In the event of two or more students securing an equal number of awards, the honour shall be bestowed upon the student with the higher academic percentage in the final result.

This award aims to celebrate the spirit of versatility, sustained excellence, and all-round distinction, inspiring students to strive beyond boundaries and make their mark in every sphere of school life.

## **2. Academic Consistency Award**

True excellence lies not merely in a single achievement, but in maintaining a commendable standard year after year with dedication and discipline.

To honour such steadfast performers, this special award shall be presented to students who secure 85% to 89.99% marks consecutively for three academic years.

This category has been thoughtfully introduced to acknowledge those students whose commitment towards academics remains unwavering and whose persistent hard work reflects admirable consistency over time.

Such recognition will serve as a tribute to discipline, determination, and sustained academic sincerity.

These additions have been envisioned with the objective of making our recognition system more inclusive, aspirational, and reflective of varied forms of student excellence. We are confident that these prestigious honours will further encourage our learners to pursue not just momentary success, but continuous growth, balanced achievement, and enduring commitment.

We seek your wholehearted support in motivating your ward to embrace these opportunities with renewed enthusiasm and dedication.

Together, let us continue to nurture achievers, leaders, and responsible individuals.

Warm Regards

**Sunita Rajaura**

**Principal (Officiating)**
