Introduction of New Award Category & Revision in Existing Category for High Honour Awards – Session 2025–26

Dear Parents,
Namaskar!

At Vivekanand School, we take great pride in honouring the hard work, commitment, and accomplishments of our students through the High Honour Awards Ceremony, organised annually for each standard to celebrate excellence in academics and co-curricular domains.

We are pleased to inform you about the following updates in the award categories for the academic session 2025–26:

New Award Categories

1. CUET Star Performer Award

To acknowledge exemplary performance in the CUET examination, this award will be presented to students who secure outstanding ranks and display academic brilliance at the national level.

2. Scholastic Brilliance Award

Introduced to honour consistent academic achievement, this award will be conferred upon the Top 3 academic performers of each standard based on their cumulative scholastic performance throughout the year.

3. Trail Blazer Award

This award celebrates academic perfection and will be given to students who score a perfect 100 in any subject in their final cumulative result (Term 1 + Term 2).

Revised Criteria for Existing Award

*** Subject Eminence Award**

Earlier awarded solely to subject toppers, this award will now also be presented to any student scoring 95 or above in a subject in their final cumulative result (Term 1 + Term 2). This revision aims to motivate a larger group of students to strive for subject-wise excellence.

We believe these enhancements will further promote our culture of academic excellence and inspire our students to set higher goals and achieve them with confidence.

Thank you for your continued support and encouragement.

Warm regards,

Poonam Sharma
Principal (Officiating)
