Invitation for Auditions – Theatrical Production on Chanakya

Dear Parent,

Namaskar!

We hope this message finds you and your family in the best of health and high spirits.

Students with a passion for theatre and a willingness to undergo guided training are invited to be part of a unique and enriching experience.

We are delighted to share that the school is preparing to stage an inspiring theatrical production on the life and legacy of Chanakya in August 2025. This initiative aims to nurture values of wisdom, leadership, and patriotism through the performing arts.

Auditions will be open to interested students of Classes IX and XI, starting 19th May 2025. Those keen to participate may register using the Google Form link provided along with this communication.

Selected students will engage in a structured training program during school hours, for 1.5 hours daily, up to 30th May 2025. Rehearsals will resume in July and continue as needed to ensure an outstanding performance.

We encourage your ward to participate if they are genuinely interested in theatre and can commit to the rehearsal schedule with dedication. Your encouragement and support will greatly enhance their learning journey.

Warm regards

Poonam Sharma
Principal (Officiating)
