Launch of Vivekanand School Mobile App

Dear Parents,
Namaskar!

We are pleased to inform you that Vivekanand School has launched its official mobile app, now available for download on the Google Play Store. The iOS version is expected to be available within the next 15 days on the Apple App Store.

This app has been designed to enhance parent-school collaboration by providing a user-friendly platform for real-time academic updates and communication.

Key Features of the App:

- Homework & Test Planner: View daily assignments and test schedules through a color-coded calendar.
- Progress Reports: Access academic reports across sessions.
- Examination Schedule: Stay informed about upcoming and past exams.
- Discipline Passbook: Track your child's behavior and zone status.
- Rule Violation Records: Monitor uniform and academic violations.
- Circulars & Notices: Receive all school updates in one place.
- Fee Payment: Make secure online fee payments.
- Achievement Profile: View your child's participation in co-curricular activities.
- My Documents: Access important academic files shared by the school.
- To help you understand the app's features better, we are sharing a detailed presentation highlighting each section of the app.

We encourage all parents to download the app from the Google Play Store by searching "Vivekanand School App" or using the QR code/link provided.

For any technical assistance, feel free to reach out to us at +91 96256 87772.

We thank you for your continued support.

Warm regards,

Poonam Sharma
Principal (Officiating)
