Leadership Lab Program

Dear Parents
Namaskar!

The school has scheduled the Leadership Lab Program, a 12-week initiative designed to enhance students' confidence, communication, and leadership skills. We are pleased to note the encouraging response and registrations received for the same.

In alignment with the revised school timings, wherein Saturdays will now be working days, the Leadership Lab Program will commence from **18th April 2026** instead of **11th April 2026**.

The program will now be conducted during school hours, ensuring that students can participate without any disruption to their routine.

The program schedule has been thoughtfully aligned with the academic timetable, and teachers will continue to support and guide participating students to ensure seamless academic progress alongside the program.

Parents who would now like their ward to participate in the program are welcome to submit their consent along with the program fee to the Class Teacher.

We value your continued trust and cooperation, which play a vital role in making such initiatives meaningful and successful for our students.

Warm regards

Poonam Sharma
(Principal Officiating)
