NATIONAL PAINTING COMPETITION ON ENERGY CONSERVATION – 2026

Dear Parents,

Namaskar!

At Vivekanand School, we believe that education extends beyond the classroom and provides students with opportunities to express their creativity while developing a deeper understanding of issues that shape our future.

In this spirit, we are pleased to share that the Ministry of Power, Government of India, through the Bureau of Energy Efficiency (BEE), is organising the National Painting Competition on Energy Conservation – 2026. The competition seeks to sensitise young minds towards the importance of energy conservation, responsible energy use and sustainable living, while providing them with a platform to communicate their ideas through art.

Students are encouraged to participate wholeheartedly and use their imagination to creatively convey the message of saving energy and building a sustainable and energy-secure future.

Eligibility

Group| Classes

Group A| Classes V, VI & VII

Group B| Classes VIII, IX & X

Topics for the Painting

Students may select one of the following topics:

1. Save Energy at School and Home
2. Energy Conservation is the Key for Energy Security

Guidelines for Participation

- Students interested in participating are required to prepare their paintings at home and submit them to their respective Class Teacher by 7 October 2026.
- The painting must be made on A4-size paper.

- The permitted mediums are Pencil, Colour Pencil, Crayon or Water Colour.
- The artwork must be original and based on one of the prescribed topics.
- Religious figures must not be depicted.
- The following details must be clearly mentioned on the reverse side of the painting:
 - Student's Name
 - School Name & Address
 - Class
 - Group
 - Residential Address
 - Mobile Number
- The school will shortlist two best paintings from each group for onward submission to the State/UT authorities as per the prescribed schedule.

Important Eligibility Condition

Students who have secured 1st, 2nd or 3rd prize at the State or National Level in 2023, 2024 or 2025 in the same group are not eligible to participate in 2026.

However, students who were winners in Group A may participate in Group B, provided they fulfil the prescribed class eligibility.

Further Levels of the Competition

Selected school entries may progress to the State/UT Level, scheduled to be held during 14–21 November 2026.

The National Level Competition will be held in Delhi on 11 December 2026.

Evaluation Criteria

The entries will be evaluated on the basis of:

- Relevance to the selected topic
- Execution, technique, skill and clarity
- Overall visual appeal
- Space utilisation
- Colour harmony

We look forward to the enthusiastic participation of our students and hope that their artistic expression will serve as a meaningful reminder of our collective responsibility towards conserving energy and creating a sustainable future.

Warm regards,
Principal Officiating
