National Space Day – Special Online Lecture

Dear Parents,

Namaskar!

On the occasion of National Space Day, Vivekanand School is pleased to organise a Special Online Lecture for students of Classes VI to XII on Sunday, 23 August 2026 at 12:00 noon.

We are privileged to have Mr. Srijan Pal Singh, Founder, Homi Lab and Former Advisor to Dr. A.P.J. Abdul Kalam, as the Guest Speaker for this special session.

The session is intended to take students beyond textbooks and encourage them to explore the fascinating world of space, science and innovation, while developing curiosity about India's growing journey and achievements in space exploration.

Having worked closely with Dr. A.P.J. Abdul Kalam, Mr. Srijan Pal Singh brings with him a wealth of experience and insights that can inspire young minds to dream bigger, think scientifically and recognise the possibilities that lie ahead of them.

SESSION DETAILS

Date: Sunday, 23 August 2026

Time: 12:00 noon

Classes: VI–XII

Mode: Online – Zoom

Zoom Link:

<https://us06web.zoom.us/j/7060890741?pwd=a2Z0K1J6SVZibUNhQ2R1czcyTWQ3Zz09>

Students are encouraged to join the session 5–10 minutes before the scheduled time and make the most of this unique opportunity to listen, learn and be inspired.

We request parents to encourage their ward to attend the session and be a part of this enriching National Space Day initiative.

Let us inspire our young minds to look beyond the horizon, question the unknown and discover the limitless possibilities of science and space.

Warm regards,
Principal (Officiating)
