NOTICE

This is to inform you that the school has deferred the draw of lots scheduled for today, 10 February 2026, for the selection of parent and teacher representatives to the School-Level Fee Regulation Committee (SLFRC).

This decision has been taken in compliance with the interim directions issued by the Honourable Delhi High Court on 9 February 2026, whereby the Directorate of Education has been directed not to insist on the constitution of SLFRCs until 20 February 2026, observing that no prejudice would be caused by deferring the timeline.

In view of the above, the draw of lots stands postponed. The revised schedule, if any, will be communicated after the next hearing of the matter.
