## Observance of D.E.A.R Time (Drop Everything and Read) - Classes VI to XII

Dear Parents,  
Namaskar !

This is to inform you that the school will be observing D.E.A.R Time (Drop Everything and Read) for students of Classes VI to XII on the occasion of **World Book Day (23rd April 2026)**, during the Enrichment Period. This initiative is designed to cultivate and strengthen reading habits among students, thereby contributing to their academic growth and overall development.

You are requested to ensure that your ward submits a book of their choice with their name mentioned on the book to the respective class teacher by 21st April 2026. The books will be retained by the class teachers and provided to the students for the reading session on the scheduled date.

Students along with the school staff will engage in uninterrupted reading during the designated period, encouraging focus, discipline, and a sustained interest in reading.

Your support in reinforcing this initiative is sincerely appreciated.

Best wishes and regards,  
Principal (Officiating)
