Registration Open for National Mathematics Olympiad (NMO) 2026

Dear Students,

We are pleased to inform you that the National Mathematics Olympiad (NMO) is scheduled to be held on 19th November 2026. This prestigious national-level competition invites participation from students of Classes VI to XII, aiming to identify and nurture mathematical talent across the country.

Olympiad Details:

Date of Exam: **19.11.2026**

Eligibility: **Students of Classes VI – XII**

Registration Fee: **₹200**

Last Date for Registration: **10th October 2026**

Why Should You Participate?

Participating in the National Mathematics Olympiad offers students the opportunity to:

- Engage with challenging and thought-provoking mathematical problems
- Sharpen critical thinking and problem-solving skills
- Compete with the brightest minds from across the nation
- Earn national recognition and accolades for mathematical excellence

Awards and Recognition:

- 100% Marks: Shield & Certificate
- 90% to 99%: Gold Medal & Certificate
- 80% to 89%: Silver Medal & Certificate
- 70% to 79%: Bronze Medal & Certificate
- 40% to 69%: Certificate of Participation

Registration Process:

Pay the applicable NMO registration fee through the School Mobile App under the "Additional Services Payment" tab.

Submit your name to your respective Math teacher after the registration latest by **10th October 2026**.

We encourage all math enthusiasts to seize this excellent opportunity and represent our school at the national level. Let's come together to celebrate the spirit of mathematics and showcase our talent with confidence and determination.

For any further queries, please feel free to connect with your Mathematics Teacher.

Wishing you all the best!

Principal (Officiating)
