Registration Open for National Science Olympiad (NSO) 2025

Dear Students,

We are pleased to inform you that the National Science Olympiad (NSO) is scheduled to be held on 8th December 2025. This prestigious national-level competition invites participation from students of Classes VI to XII, aiming to identify and nurture Science talent across the country.

Olympiad Details:

Date of Exam: **08.12.2025**

Eligibility: **Students of Classes VI – XII**

Registration Fee: **₹150**

Last Date for Registration: **10th September 2025**

Timings: Classes VI-VIII: 2 Hours, Classes IX-XII: 2.5 Hours

Why Should You Participate?

Participating in the National Science Olympiad offers students the opportunity to:

- Engage with challenging and thought-provoking Science problems
- Sharpen critical thinking and problem-solving skills
- Compete with the brightest minds from across the nation
- Unique opportunity for students to develop a genuine passion for the subjects while strengthening their practical knowledge.

Awards and Recognition:

- 100% Marks: Shield & Certificate
- 90% to 98%: Gold Medal & Certificate
- 80% to 88%: Silver Medal & Certificate
- All the successful candidate will get participation certificates.

Registration Process:

Interested students must submit the registration fee of ₹150 to their respective Science Teachers on or before 10th September 2025.

We encourage all Science enthusiasts to seize this excellent opportunity and represent our school at the national level. Let's come together to celebrate the spirit of Science and showcase our talent with confidence and determination.

For any further queries, please feel free to connect with your Science Teacher.

Wishing you all the best!

Poonam Sharma

Principal (Officiating)
