Revision in Language Structure for Class VI in Compliance with CBSE Guidelines

Dear Parents,

Namaskar!

In alignment with the latest directives issued by CBSE vide order dated 9th April, and in accordance with the evolving framework of the National Curriculum Framework (NCF) and National Education Policy (NEP), the language structure for students of Class VI onwards is being reorganized under the Three-Language Formula, categorizing languages as R1, R2, and R3.

Accordingly, for students of Class VI, the revised language structure shall now be as follows:

R1 (First Language): English

R2 (Second Language): Hindi

R3 (Third Language): Sanskrit

In view of the above directions, the options of French, German, and Spanish shall stand discontinued for Class VI with immediate effect, and Sanskrit shall be introduced as the designated third language (R3).

We understand that this update comes after the commencement of the academic session and may require certain adjustments at your end. However, this revision has become necessary to ensure complete compliance with the latest academic guidelines prescribed by the Board.

We seek your cooperation and support in helping your ward adapt positively to this change.

Warm Regards

Poonam Sharma

Principal (Officiating)
