## SUMMER AI INNOVATION CAMP 2026 (For Classes VI to VIII)

Dear Parents,  
Namaskar!

In today's rapidly evolving world, Artificial Intelligence (AI) is emerging as one of the most important technologies shaping the future. To introduce students to this exciting field in an engaging and practical manner, the school is organising a Summer AI Innovation Camp for students of **Classes VI to VIII**.

The camp aims to provide students with hands-on exposure to basic AI concepts, coding, automation, and smart systems through interactive activities and real-life applications. Students will get an opportunity to explore how technology can be used creatively to solve problems and build innovative projects.

### Camp Details:

- \* Dates: **21st May 2026 to 27th May 2026**
- \* Classes: VI to VIII
- \* Timings: **9:00 a.m. to 10:30 a.m.**
- \* **Fee: ₹1200/-** (last date for submission of the amount with the class teacher is **19th May 2026**.)
- \* Mode: Hands-on Practical Workshop
- \* Transport: School transport facility will not be available for the camp.

### Highlights of the Camp:

- \* AI Chatbot Development
- \* Gesture Recognition Systems
- \* Voice-Controlled Automation
- \* Smart Lighting Systems
- \* AI-Based Interactive Projects
- \* Hardware Integration using Arduino

Through this camp, students will not only learn foundational AI concepts but will also develop important 21st-century skills such as logical thinking, creativity, problem-solving, teamwork, and innovation.

The workshop will conclude with a student project showcase, where participants will present the models and systems developed during the camp.

For any queries, parents may contact Ms. Preeti at 9696234877.

We encourage parents to motivate their wards to participate in this enriching learning experience and explore the fascinating world of Artificial Intelligence.

Warm regards,

Poonam Sharma

Principal (Officiating)
