School Transport Facility: Enrolment Open

Dear Parents,
Namaskar!

As we prepare to welcome our students back to school after the summer break, we would like to inform you that a limited number of seats are available on the school buses for the current academic session.

The school transport facility offers a safe, reliable, and convenient commuting option for students. Parents who wish to avail this facility for their ward are requested to express their interest at the earliest and complete the necessary formalities.

Please note that seats are limited and will be allotted on a first-come, first-served basis, subject to availability on the respective routes.

We encourage interested parents to take advantage of this opportunity and ensure a comfortable and hassle-free commute for their child throughout the academic session.

For any further queries regarding transport routes, timings, or seat availability, parents may contact the Transport Incharge, **Mr. Ankit, at 9999939715**.

Warm regards,

Poonam Sharma
Principal (Officiating)
