Season 4 of Logic Master - Classes 6-8

Dear Parent,

Namaskar!!!

After the grand success of Logic Master in 2021, 2022, and 2023, we are excited to announce Season 4 of Logic Master for our meritorious students in 6th, 7th, and 8th grades.

A logical reasoning course offers several significant advantages for students. It enhances their problem-solving skills by improving their ability to analyze situations, identify problems, and devise effective solutions. This leads to better decision-making, as logical reasoning helps students evaluate all possible outcomes to make rational and well-thought-out choices. Engaging in logical reasoning exercises can also improve cognitive functions such as memory, attention, and processing speed. Finally, by understanding logical patterns and structures, students can approach creative tasks with a more structured and innovative mindset, boosting their overall creativity.

The classes will be conducted by external, experienced, and highly qualified faculty, who have designed a comprehensive curriculum to enhance your child's logical thinking abilities. Training in this program will also set a solid foundation for your child's preparation for various Olympiads and important competitive examinations, including the CUET (Common University Entrance Test).

The details of the program are as follows:

Duration: 30 hours of intervention

Mode of delivery: Online

Class/Days:

Class 6 - Tuesday

Class 7 - Wednesday

Class 8 - Thursday

Timings: 7:00 - 8:00 pm

Course Structure:

- 25 hours of teaching (Logical Reasoning & Quantitative Aptitude)
- 5 Mock Tests of 1 hour each (Logical Reasoning & Quantitative Aptitude)

It will be a 24-hour training program and the charges would be Rs. 4000/- per student. The classes will commence from **Tuesday, 16th July, 2024**, and we encourage all our students to participate in this program.

ORIENTATION SESSION

The school has also planned an online orientation session on **Wednesday, 10th July, 2024, at 5:00 pm** to clarify the purpose and benefits of undergoing such a rigorous program. The link for the Zoom session will be shared a day before.

Looking forward to wholehearted participation.

Warm Regards,

Poonam Sharma

(Principal Officiating)
