SPANDAN - 1 **(CLASSES – III - V)**

Dear Parent

Namaste!

At Vivekanand School, we believe that every child possesses unique talents waiting to be discovered, nurtured, and celebrated. While academic learning plays an important role in a child's growth, opportunities for creative expression, communication, imagination, and innovation are equally essential in shaping confident and well-rounded individuals.

As part of our Bi-Monthly theme initiative, the theme for the months of July and August is patriotism. Through this theme, we seek to nurture in our students a sense of pride, gratitude, and appreciation for our nation and its rich heritage.

To celebrate and reinforce this spirit in an engaging manner, we are delighted to organise **Spandan – I on 4th July 2026 for the students of Classes III–V** —a vibrant platform designed to encourage creativity, expression, and talent.

The activities have been organised under the following categories:

Literary Activities

Designed to enhance communication skills, imagination, critical thinking, confidence, and self-expression.

Art & Craft Activities

Designed to foster creativity, innovation, artistic expression, and aesthetic sensitivity.

Participation in Spandan – I is compulsory for all students, as such experiences form an integral part of a child's holistic development.

Preference Submission

Students are required to submit:

- Two preferences from the Literary Activities category
- Two preferences from the Art & Craft Activities category

Kindly note that the final activity allotment shall be based on student preference and seat availability.

Parents are requested to carefully review the activity brochure and submit their child's preferences through the Google Form by **10th June, 2026**.

Class IV & V: <https://forms.gle/XiCQWpGfJadSqjAy5>

We encourage every child to participate enthusiastically, explore new possibilities, and make the most of this enriching opportunity.

Important Note: Parents are requested to ensure that their child's preferences are submitted within the stipulated timeline. In case a student fails to register for the Spandan – I activities through the Google Form, the activity allotment will be done by the Activity Coordinator based on the availability of seats in the respective activities. No requests for change of activity will be entertained thereafter.

Together, let us continue to nurture confident communicators, creative thinkers, and proud young citizens.

Warm regards,

Sunita Rajaura
