Circular for Spandan - Classes VIII & IX

Dear Parents,
Namaskar!

We hope that you and your family are in the best of health and spirits. We are delighted to inform you that our school is organizing Spandan, a series of intra-school competitions for our students. These competitions will provide our students with a platform to showcase their talents, hone their skills and gain valuable experience.

The competitions will cover a range of areas including academic, literary, visual arts and performing arts. We believe that participating in these competitions will help our students develop their confidence, teamwork, and leadership skills. Moreover, these competitions will provide an opportunity for our students to interact and learn from their peers.

The competitions will take place for classes VIII & IX on Saturday, 19-October.

We encourage every student to participate as our aim is to create an inclusive and supportive environment where every student feels valued and respected. We also want to foster a sense of healthy competition, where students strive to do their best while respecting their fellow competitors.

Students are required to go through the list of activities and choose 3 out of 10 for each session, Session1 and Session2, out of the activities listed therein, mentioning in the order of their preferences, respectively, in a Google Form whose link is given below:

In case a student doesn't submit his/her preference, within the given time, he/she will not be permitted to participate in any of the competitions at Spandan.

We would like to remind you that participation in these competitions is mandatory, and we encourage parents to support and motivate their children to participate. We believe that by taking part in these competitions, our students will not only improve their skills but also learn important life lessons such as resilience, perseverance, and determination.

We look forward to your support and encouragement for our students as they participate in these competitions. Please do not hesitate to contact us if you have any questions or concerns.

Thank you for your continued support.

Warm Regards,
