SPANDAN 2024-25 (CLASS 3 - 5)

Dear Parent

Namaste!!

We hope this message finds you and your family in good health and high spirits.

We are pleased to announce the upcoming Spandan activities at Vivekanand School, categorized under **Cultural and Science & Technology**, designed to energize our students with creative fervour. Spandan provides an excellent platform for Vivians to explore, experience, and develop their extracurricular skills across a wide range of activities. We believe this golden opportunity will enable each student to showcase their talents while applying essential life skills, logical reasoning, analytical thinking, and creativity.

The performance in these co-curricular activities will be considered part of your child's overall achievement. Therefore, we kindly request the mandatory participation of every student in the Spandan activities.

Please note that the second round of Spandan Activities is scheduled for **Saturday, 19th October 2024** for students in classes III to V. We encourage all students to participate and make the most of this event.

To facilitate the activity selection process, we request that you have a detailed view of the activities mentioned in the brochure shared with the circular. Within each category, please choose two activities and indicate your first and second preferences. Activity assignments will be based on seat availability.

To ensure your child's participation, please complete and submit the Activity Selection Proforma by **6th October 2024**. Please note that students who do not submit their preferences by the deadline will not be allowed to participate in any Spandan events.

We believe these activities will contribute significantly to your child's growth and development, allowing them to explore their talents and broaden their horizons. The brochure provides a detailed overview of the activities offered and will serve as a helpful resource in making informed decisions. We sincerely appreciate your cooperation and support in making Spandan a memorable and successful event.

If you have any questions or require further assistance, please do not hesitate to reach out to the class teacher.

Warm regards,

Principal
