### SPANDAN - 2 (Classes III-V)

Dear Parents

Namaste!

Following the resounding success of Spandan – 1, we are delighted to announce **Spandan – 2**, scheduled for **4th November 2026** for students of **Classes III–V**.

Continuing with our endeavour to provide students with diverse platforms for learning and self-expression, Spandan – 2 offers meaningful opportunities for students to explore their interests, develop new skills, and showcase their creativity, talent, and potential.

This edition of Spandan – 2 is thoughtfully designed around the theme “**Legacy Makers – Creating the Future Worth Inheriting.**” The activities aim to inspire students to become responsible and creative young individuals who value our cultural heritage, embrace innovation, and contribute positively towards building a better future.

The activities for this edition have been thoughtfully curated under two broad categories:

- **Cultural Activities:** Designed to encourage creative expression, cultural awareness, confidence, and an appreciation of our rich cultural heritage.
- **Science & Technology Activities:** Designed to foster innovation, logical thinking, problem-solving, creativity, and technological awareness.

### Preference Submission

Participation in Spandan – 2 is compulsory for all students, as such experiences form an integral part of their holistic development.

Parents and students are requested to carefully review the activities listed in the Spandan – 2 Activity Brochure and submit:

- Two preferences from the Cultural Activities
- Two preferences from the Science & Technology Activities

**Note:** Final activity allotment will be based on the preferences submitted and the availability of seats in the respective activities.

Parents are requested to submit their child’s preferences through the respective Google Form link given below by **11th October 2026**.

- Class IV & V: <https://forms.gle/QQNM7sdEZ5DGizFcA>

### Important Note

Parents are requested to ensure that preferences are submitted within the stipulated timeline. If a student fails to submit preferences via the Google Form, the activity allotment will be done by the Activity Coordinator based on the availability of seats in the respective activities.

Once the activity has been allotted, no requests for a change of activity will be entertained.

We encourage every child to participate enthusiastically, explore new possibilities, and make the most of this enriching opportunity.

Together, let us continue to nurture creative thinkers, confident communicators, innovative learners, responsible citizens, and culturally aware young individuals—the Legacy Makers who will help create a future worth inheriting.

Warm regards,

**Sunita Rajaura**  
**Principal (Officiating)**
