Spardha 2026 — Class VII and VIII Sports Day

Dear Parents,
Namaskar!

We are delighted to share that our school will be hosting the **Grand Annual Sports Event – Spardha** in the first week of **February 2026** at the iconic **CWG Village Sports Complex**, near Akshardham Temple. This remarkable opportunity will allow our students to compete like true champions on an international-standard sports ground—experiencing the spirit, excitement, and discipline that define excellence in sports.

To prepare and select young athletes for this mega event, the school will be conducting the **preliminary rounds of racing for Classes VII and VIII on Saturday, 17 January 2026**, after the completion of the CT-4 examination.

The finalists from the Athletics events conducted on 17 January 2026 will qualify to compete in the **Grand Annual Sports Event – Spardha** this February.

Important: All participating students are required to report in proper **SUPW uniform** and wear **sports shoes** on the day of the event. They should also carry their school bag as on a normal school day.

We look forward to witnessing great energy, commitment, and sportsmanship as our young Vivians prepare to shine on a prestigious sporting stage.

Warm wishes,

Principal (Officiating)
