Submission of Revised CBSE Class X Mark Sheet

Dear Parents,

Namaskar!

Following the declaration of the revaluation results for the Class X CBSE First Board and Second Board Examinations, parents are requested to kindly apprise the school of any revision in their ward's marks, wherever applicable. In the event of any change in the marks pursuant to the revaluation process, the revised CBSE Mark Sheet/Report Card is required to be submitted to Ms. Heena Seth, PA to Principal, latest by **15 September 2026**.

The submission of the revised document will enable the school to update the official records of the Class X Board Result accurately and within the stipulated timeline. The revised results will subsequently be taken into consideration for updating the school website and processing the awards and accolades applicable to eligible students.

Parents are requested to accord due priority to this matter and ensure timely submission of the revised Mark Sheet/Report Card, wherever applicable, to facilitate the seamless completion of the process.

Your prompt cooperation and support in ensuring the accuracy of the school records are sincerely appreciated.

Warm regards,

Poonam Sharma

Principal (Officiating)
