Technocrat Project for classes VI-IX

Dear Parents,

Namaskar!

We trust this message finds you and your loved ones in the best of health and high spirits. We are thrilled to introduce a remarkable opportunity exclusively for our students of classes VI-IX, one that has the potential to shape their future in our technology-driven world. We are delighted to emphasize the significance of coding skills as indispensable 21st-century skills and extend an invitation to your child to become a proud "**TECHNOCRAT**" at Vivekanand School.

In today's fast-paced and ever-evolving world, digital literacy and computer programming skills have become increasingly essential. Our new initiative is thoughtfully designed to equip the children with these critical skills, not only enhancing their success in academic pursuits but also preparing them for a future where technology plays a pivotal role in virtually every field.

The Technocrats Project will feature training sessions every **Tuesday and Friday, from 1:40 PM to 3:10 PM**, in the school premises, covering a diverse range of IT activities, including:

- Cultivation of 21st Century Skills
- Exposure to AI
- Design Thinking
- Coding skills
- Game Building
- App Development

Please make a note that these special skill enhancement sessions will be conducted after the regular school timings. Therefore, the selected students need to stay back to avail the sessions on the mentioned days and timings.

For students who wish to avail of transport services, an additional monthly charge of **Rs. 500 will be applicable for bus users**, and **Rs. 1000 for non-bus users**. Alternatively, you may make your own transportation arrangements to pick up your child from the school at the designated time after the TECHNOCRAT sessions.

What?

- Session with the students to communicate the idea and objectives of the Technocrats Project
- Registration of willing students
- Session to shortlist Technocrats
- Launch of Technocrats Project

When?

- Friday, 3rd November 2023
- By Wednesday, 8th November 2023
- Friday, 10th November 2023
- Friday, 17th November 2023

If your child is interested to be part of this revolutionary team of IT wizkids, he/she must register for the same by clicking on the following Google Form link, immediately:

https://docs.google.com/forms/d/e/1FAIpQLSeSD0F2IYiwOQHbNvWdrX8456Y1bvEcZRCEskamtePb-qlpsw/viewform?usp=pp_url

Should you have any questions or concerns, please do not hesitate to reach out to us. We are here to wholeheartedly support your child's educational journey in every way we can.

We genuinely appreciate your ongoing trust in our school's unwavering commitment to providing the finest opportunities for the development of your child. Together, we can empower him/her to excel in this digital age. We are eagerly anticipating witnessing your ward to thrive in this exciting program.

Warm Regards,
IT Department
